

## ***Floor Proposal***

1. (Basketball – Replay; Authored by SDHSAA Staff) Beginning in 2020, adopt NFHS Basketball Rule 2-2-1 NOTE, which reads “*A state association may permit game or replay officials to use a replay monitor during state championship series contests to determine if a scored goal at the expiration of the time in the fourth quarter or any overtime period (0:00 on the game clock), should be counted, and if so, determine if it is a two-point or a three-point goal.*”

**Rationale:** This change would allow for replay in limited situations in basketball. As applied, the rule adoption would allow the review of last-second shots in each of our state tournament games for two conditions: (1) whether the shot was a two- or three-point shot, and, (2) whether or not the shot was released prior to the final horn. In speaking with SDPB and representatives from other state associations, we (SDHSAA Staff) feel this will be a minimal cost impact to the association and our member schools and would encourage your support of this proposal.
